HOW TO GET THERE

Hercílio Luz International Airport has 71 daily domestic and international flights, 28 of these flights come from São Paulo, where most international flights arrive in Brazil.

Hercílio Luz International Airport is located in the south of Florianópolis island. The Costão do Santinho Resort (DAS2017 Symposium) is located in the north of the island (see map below). The driving distance is 43km (approximately 1 hour trip).

An option (recommended) is to get a taxi. A pre-paid taxi scheme, from the airport to Costão do Santinho Resort, costs around U\$30.00. Uber around U\$ 25.00 is also an option.

Note:

- Go to the Information desk in the airport arrival area, they might have helpful information, such as the proper fare to hotels, or special hotel buses.
- DO NOT accept rides from unknown people soliciting taxi rides who hang around the arrival doors looking for bewildered foreigners.

The organization will not provide complimentary transport to/from the resort however, during Sunday, September 9, there will be two DAS2017 staff personnel from 10 am to 5 pm right outside the arrival doors. They will have signs with the Symposium name and will be assisting arriving participants to get taxis, buses or rental cars to the resort.
